Report for Tracking Course Time Conflicts

Dear Student,

According to our records, at least two courses on your schedule have overlapping meeting times, which is not permitted by the Yale College Academic Regulations (*Yale College Programs of Study*, "[Course Enrollment](#)," item 5). Be sure to use the add/drop period to remove this conflict.

If you have especially compelling reasons to take these courses this term; if the overlap is insignificant; if both instructors are supportive; and if the corresponding final exam periods do not themselves conflict: you may [Petition to Elect Two Courses with Overlapping Meeting Times](#) at the beginning of the term, if you have not already done so.

If you have any questions about overlapping meeting times, please contact your residential college dean's office.

Sincerely,
