More information can be found on the [registration page of the University Registrar's Office website](#).
- For courses with a discussion/lab section, you must select both the lecture/seminar and the section during the registration period.
- Waitlists will be cleared between the end of registration and the beginning of the add/drop period. If you have not gotten into a course from the waitlist, you should consider different courses as soon as add/drop opens.

Additional messages will be sent closer to the start of registration.
