## Deadlines for Spring 2026 Courses

Dear Colleagues,

Canvas Sites will open on Wednesday, October 15.

- **Adding cross-listings and distributional designations to offered courses must be done before Canvas sites open.** All newly proposed courses can still be cross-listed through CIM as long as the approvals are in place before the course is offered.
- The deadline to submit new spring 2026 course proposals so they are available for offering before the opening of spring term registration is **Thursday, October 23**. Courses submitted after the deadline might not be available for offering in WEN before registration opens.

Sincerely,

University Registrar's Office
